Description:

As the protagonist in his own visionary three-part passage through the afterlife, Dante begins at the gate of Hell, guided by the poet Virgil. Together they journey through the underworld's nine circles, witness harrowing punishments for sin, and come face-to-face with Satan—all in order for Dante to be reunited with his beloved Beatrice who awaits in Heaven. Conceived as a deliverance from “the state of misery...to the state of felicity,” and informed by Christian history, medieval politics, and lost love, Dante’s voyage through the realms of the hereafter is an epic narrative at once theological, philosophical, and autobiographical. AmazonClassics brings you timeless works from the masters of storytelling. Ideal for anyone who wants to read a great work for the first time or rediscover an old favorite, these new editions open the door to literature’s most unforgettable characters and beloved worlds. Revised edition: Previously published as The Inferno, this edition of The Inferno (AmazonClassics

Edition) includes editorial revisions.

I highly recommend this translation of Dantes Inferno. For many years, Ciardis translation has been the standard and it has much to recommend it. But Ciardis rhymed stanzas are looser, wordier, and less faithful to the original than Thorntons blank verse. Thornton brings us closer to what Dante wrote. And the excellent notes at the end of each canto help bring this masterpiece to life for a modern reader.

The Inferno (AmazonClassics Edition) in pdf books

## The Inferno (AmazonClassics Edition)

I found myself listening to the mp3 download version Seasons of the Witch repeatedly (at least six times) while doing my hair yesterday. "Envoy of Jerusalem" is a perfect Edition) to Schraders epic trilogy on this period in Christiandoms history. The author absolutely knows his stuff, and he brings a notable The of the events in a civil war and how everyone is affected, no inferno which side youre on.
